- **Well Made Home** is proud to introduce Madeline Weinrib textiles to Marin at a Workshop Open House on May 20-21 from 10:00am - 6:00pm, with light refreshments. Designer Madeline Weinrib has shaped a signature sophisticated style that is at once timeless and contemporary. With her collections of heirloom quality carpets, textiles, home furnishings and accessories, Madeline actively challenges the boundaries between art and design. Well Made Home is the exclusive retail destination in Northern California for Madeline Weinrib.

Well Made Home makes it simple to create bespoke custom furnishings, including upholstery, cushions and window treatments. The company's unique approach offers a level of quality and specification previously only available through interior designers. No project is too small: they will just as happily obsess over the details of a cushion as they will a whole home.

Every piece the company creates is sourced to a customer's exact specifications: sizes, trims, welts, flanges, custom-fitted down inserts and more. And, they love color: Choose from a meticulously curated selection of the best-of-the-best fabrics from leading designers around the world.

Founded by Melanie Mount and Kelly Willrich, Well Made Home is proud to collaborate with small California workshops to bring its customers locally made furnishings crafted with passion. Appointments can be scheduled in their workshop or at one's home. They'll handle the rest with impeccable service from start to finish – from the design and construction of pieces, down to the smallest detail and through installation. www.wellmadehomefurnishings.com

- **Westerlind** launched its showroom and the westerlind.us site to create an intersection where technical outdoor gear and apparel meet a style-minded boutique. In 2014, the company opened its first U.S. retail store on 31 Spring Street in New York City. They've since added two more stores: one at Marin Country Mart, the other in Eden, UT. The brands they showcase are known for their forward-thinking design, functionality and style. Westerlind's approach is to inspire the everyday urban hiker and the experienced outdoorsman by offering a combination of technical fabrics and natural fibers; everything in the store has its purpose. westerlindoutdoor.com

About Marin Country Mart

In 2009, J.S. Rosenfield & Co. purchased Larkspur Landing, transforming it into Marin Country Mart through extensive upgrades and new retail offerings with independent brands that better reflect the preferences of residents and visitors. The open-air shopping destination, comprised of 12 barn buildings and over 173,000 square feet of space, features appealing boutiques, dining options, services and special events. Marin Country Mart has two sister venues in Southern California, Brentwood Country Mart and Montecito Country Mart, which are favorites among residents for exceptional shopping and dining. All are conceived with a spirit of community in mind, as lively gathering places that evoke simpler, more gracious times. Inspired by the idea of the village square, Marin Country Mart is a welcoming destination where local residents and visitors enjoy talented artisans and entrepreneurs who ply their trades with pride and skill, in a congenial environment shared with families, neighbors and friends.
